

- 02.200 System, System Administration, and Institution Policy Development
- 02.201 System Policy. System policies apply to the System as a whole. The Board delegates authority to the Chancellor to develop and adopt System policies subject to the approval of the Office of General Counsel and the requirements of these Regents Rules.
- 02.202 System Administration Policy. System Administration policies apply to the System Administration. The Board delegates authority to the Chancellor to develop and adopt System Administration policies subject to the approval of the Office of General Counsel and the requirements of these Regents Rules.
- 02.203 Institution Policy. Institution policies apply only to the Institution that adopts the policy. The Board delegates authority to the Presidents to develop and adopt policies for their respective Institutions, subject to the approval of the Office of General Counsel and the requirements of these Regents Rules.
- 02.204 Contract Disclaimer. No provision in System, System Administration, or Institution policies shall create a contract, express or implied, with any party.
- 02.205 Format. System, System Administration, and Institution policies shall be in the format prescribed in Regents Rule 01.102.
- 02.206 Legal Review. In order to ensure that all policies are consistent and comply with applicable laws and these Regents Rules, all System, System Administration, and Institution policies considered for adoption or amendment must be approved by the Office of General Counsel prior to adoption or amendment.
- 02.207 Conflicts.

or Institution policy, the System policy takes precedence.

2. When the Vice Chancellor & General Counsel notifies the Chancellor for the System or the System Administration or an Institution President that a policy or portion of a policy is in conflict with a federal or state law or regulation, or a law or regulation is passed which conflicts with System, System Administration,
